

ALEXANDRIA SCHOOL DISTRICT

Welcome Back to School
2021-2022 School Year

Healthy Meals Grow *Healthy Kids!*

Did you know your child's school lunch is age appropriate by design and includes a wide variety of healthy options like low fat milk, fresh fruits and vegetables and whole grains? We take great pride in being able to offer your children healthy food choices so that they can fuel their bodies to get them through the school day and beyond! Meals are offered at no charge for all students again this school year due to continued USDA funding. Money may still be placed in student accounts for a la carte, milk, extra entrée items, since these items can only be purchased with funds in the student account.
