	Kidney Beans		
	6/#10 KOSHER WT. KIDNEY BEANS (9 BRINE) – LOW SODIUM		
	Spec No.: 1418020033	Issued: 10/30/20	Supersedes: 06/25/2018

General Description:

Prepared White Kidney Beans packed in a low sodium brine.

General Requirements:

1. The product shall be manufactured in accordance with Good Manufacturing Practice (21 CFR, Part 117).
2. The finished product and packaging shall conform in every respect with the provisions of the Federal Food, Drug, and Cosmetic Act, as amended, and to all applicable USDA, State, and local regulations.

Physical and Chemical Requirements:

The product shall be graded U.S. Grade A according to the USDA Standards for Dried Beans, effective September 1, 1976. White Kidney Beans "9" low sodium brine shall have a minimum score of no less than 90 points.

Color:

The Beans shall have good color that is bright, typical, and reasonably uniform.

Absence of Defects:

The beans for the most part, shall be free from broken or mashed skins, loose skins, extraneous vegetable material, and blemished beans.

<u>Category</u>	<u>Percent of net wt. allowable</u>
Loose skins, broken or mashed beans	5
Total blemished	3
Materially blemished	2
Seriously blemished	1
Extraneous vegetable material	None

Character:

The beans should be free from inconsistent texture; hard, mushy, or tough beans. Good character of beans may be slightly firm or granular and should have tender skins.

Flavor:

The beans and brine shouldn't contain any offensive or unpleasant odors or flavors.

	Spec No.: 1418020033	Issued: 10/30/20	Supersedes: 06/25/2018

Consistency:

The beans and brine are practically free from 'matting', (severe clumping together or sticking to the sides of the can), with no grainy or lumpy appearance in the sauce.

Fill of Container:

The container shall be filled as full as practical without impairment of quality. Product shall not occupy less than 90% of the capacity of the container.

Net weight: Minimum: 110.0 oz.

Washed Drain Weight: 68.0 ± 2.0 oz.

Vacuum: 5" minimum

Code:

Each container and shipping carton will be labeled legibly to include date packed, year, product, and plant.

Shelf life: 36 months from date of pack.

Packaging:

Product is packed 6 No. 10 cans in corrugated cartons.

Storage:

Store at ambient temperatures. Protect from freezing and temperatures greater than 105°F. Protect from rapid temperature increases to avoid moisture condensation on cans that will cause rusting.

Allergens: None of the eight major allergens as recognized by the FDA.

Country of Origin: Beans may be from U.S. or Canada. Product is manufactured in Hanover, PA, USA.

Ingredient Statement:

PREPARED WHITE KIDNEY BEANS, WATER, SALT AND CALCIUM CHLORIDE.
DISODIUM EDTA ADDED AS A PRESERVATIVE.

GMO Status: This is a non-GMO product.
