

RESPONSE TO REQUESTS FOR MEDICAL INFORMATION RELATIVE TO FOOD PRODUCTS

With increasing frequency over the past few years, we at Maschio's Food Services, Inc. ("Maschio's") have received various requests from parents and other interested parties relative to both the ingredients of the food products we prepare and serve, and the medical significance of those food ingredients. Most of these requests for such information have come from interested parents/guardians who are concerned about their child's medical condition and the role that diet and nutrition plays.

We are pleased to assist inquiring parties to the maximum extent that we can, such as providing copies of our menus for the meals we prepare and serve. Please note, however, there are limitations on the responses that we can furnish. Below are several of Maschio's guidelines that may be helpful.

- Maschio's does not independently perform ingredient testing for the products we prepare and serve, nor are we required to by the terms of the agreement between Maschio's and your child's school district.
- Maschio's is happy to provide literature furnished by food manufacturers and/or suppliers we work with. To note, this literature is not independently verified and may or may not be accurate. Please note that we are unable to affirm the accuracy of that information or even suggest or recommend that it be relied upon by parents/guardians, school nurses, and/or school district representatives.
- Maschio's representatives are unable to provide medical or nutritional advice regarding the food products we prepare and serve. Accordingly, we are unable to provide any opinions or conclusions regarding the impact any such food product may have on any existing medical condition. Medical opinions or conclusions must be secured from the child's physician or other healthcare professional. These services are beyond the scope of the service which we provide to your school district.

We at Maschio's Food Services, Inc., remain committed to providing safe and nutritious meals for your child(ren) and we look forward to continuing to serve as a partner to keep your children safe.

RESPONSE TO REQUESTS FOR MEDICAL INFORMATION RELATIVE TO FOOD PRODUCTS

With increasing frequency over the past few years, we at Maschio's Food Services, Inc. ("Maschio's") have received various requests from parents and other interested parties relative to both the ingredients of the food products we prepare and serve, and the medical significance of those food ingredients. Most of these requests for such information have come from interested parents/guardians who are concerned about their child's medical condition and the role that diet and nutrition plays.

We are pleased to assist inquiring parties to the maximum extent that we can, such as providing copies of our menus for the meals we prepare and serve. Please note, however, there are limitations on the responses that we can furnish. Below are several of Maschio's guidelines that may be helpful.

- Maschio's does not independently perform ingredient testing for the products we prepare and serve, nor are we required to by the terms of the agreement between Maschio's and your child's school district.
- Maschio's is happy to provide literature furnished by food manufacturers and/or suppliers we work with. To note, this literature is not independently verified and may or may not be accurate. Please note that we are unable to affirm the accuracy of that information or even suggest or recommend that it be relied upon by parents/guardians, school nurses, and/or school district representatives.
- Maschio's representatives are unable to provide medical or nutritional advice regarding the food products we prepare and serve. Accordingly, we are unable to provide any opinions or conclusions regarding the impact any such food product may have on any existing medical condition. Medical opinions or conclusions must be secured from the child's physician or other healthcare professional. These services are beyond the scope of the service which we provide to your school district.

We at Maschio's Food Services, Inc., remain committed to providing safe and nutritious meals for your child(ren) and we look forward to continuing to serve as a partner to keep your children safe.

Tyson Red Label® Uncooked Breaded Homestyle Chicken Breast Patties, 3.2 oz.

PRODUCT CODE: 10383800928 GTIN CODE: 00023700025708

Storage Method

Frozen

Cook Method

Deep Fry

Serving suggestions

Create the ultimate crispy chicken sandwich with Tyson Red Label® Homestyle Breaded Chicken Breast Patties served on a toasted bun with a selection of signature sauces from honey mustard to Cajun teriyaki to blue cheese. Serve atop a salad for an extra crispy crunch or feature in a variety of center-of-plate entrées.

- Versatile homestyle breaded chicken breast patties can be used on sandwiches or in endless center-of-plate applications, providing great bun and plate coverage every time.
- Chopped and formed chicken patties provide consistent portion size and shape making it easy to cost estimate individual servings while providing patrons with consistency they can count on.
- No MSG and No Trans Fat delivers on the product qualities that are increasingly important to patrons.
- Breading is seasoned with visible pepper flecks and garlic to provide scratch made taste without added labor back of house.
- Dense, flour-based breading provides consistent texture and appearance every time which will keep customers coming back.
- Partially cooked product allows you to quickly add the finishing touch without added prep time.

Storage

SHELF LIFE	STORAGE	TEMP MAX	TEMP MIN
365 Days	Frozen	0 °F	0 °F

Preparation

Deep Fry:

Appliances vary, adjust accordingly. Uncooked: For safety, product must be cooked to an internal temperature of 165°F as measured by a thermometer. Deep Fry: Preheat oil to 350°F. From frozen, place in a fryer basket, submerge in oil, and shake basket. Do NOT over pack product in basket. Cook the product for 5-5 1/2 minutes shaking the basket occasionally during cooking. For best performance hold product on a sheet pan, uncovered, with a wire rack, above 135°F in a dry heat environment.

Ingredients

Boneless chicken breast with rib meat, water, seasoning [salt, flavors, maltodextrin, sugar, vegetable stock (carrot, onion, celery), garlic powder], salt, sodium phosphates. BREADED WITH: Wheat flour, water, salt, wheat gluten, leavening (sodium bicarbonate, sodium aluminum phosphate, monocalcium phosphate, sodium acid pyrophosphate), spices, garlic powder, onion powder, disodium inosinate and disodium guanylate, natural flavor. Breading set in vegetable oil.
